CHISHOLM HAS A SHORT COURSE FOR YOU

Whether you want to upgrade your skills, chase an interest or have a go before committing to a certificate course, we can help. Our short courses are designed to give you real skills for the real world to potentially creating new study or employment pathways. You’ll be taught by friendly, professional teachers, experienced in their field.

You’ll learn the latest techniques being used by trades and industry, and have access to state of the art facilities, professional training and support. Because you are at Chisholm, you’ll have the security knowing you’re studying with a government-owned TAFE institute.

WHAT IS A SHORT COURSE?

Short courses are usually conducted over one or more sessions. They are designed to assist you in your current employment to learn a new skill or try out a subject before committing to an accredited long term qualification. A short course can be an economical way to acquire new skills or to enhance (or refresh) your existing skills.

WHY DO A SHORT COURSE?

- Obtain an industry license or ticket
- Professional Development
- To refresh skills or upskill
- Career or personal interest
- Ease your way back into long term study
